

A Report on Parents Feedback (2017)

The Parents Feedback was collected during the Parent-Teacher Conference held on 27th February, 2017 at the Conference Room. All the parents gave positive feedback on faculty, college, hostel and management. These are some suggestions given by the parents:

1. Improvement in hostel facilities
2. Need for good drinking water facility in the hostel
3. Need for frequent communication from the college to the parents about their ward's academic performance

Based on the suggestions, possible actions were taken such as installation of new Voltas water cooler in the campus which can be used by all.
