7. Suggestions for the Development of the College including academic

7 responses

N/A

i Students' leadership to be promoted

ii Inclusion of music club, oratory club and other extra curricular clubs for the holistic development of the students.

Adding up more streams and professional courses would be great.

Larger library 🏠📖 and Accurate students ratio 50:1 and different sections

Extension of library room

I would like to put my focus on the academics especially in introducing subjects like Behavioural Science apart from Communicative English which I feel would greatly help in the personality development of the students because apart from the communication aspect, personality development too would be a great addition.

Bringing in more expert lectures for management department

8. Extent of involvement possible in College affairs

5 responses

N/A

Not ATM

Any form of help from the college

1) Start Club

2) Make use of Social media

Can't say but most probably would try to be available.

Google Forms
